This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of IDS Telcom Corp. (IDS or the Company) for approval of a modification of the Company's name by which it will be doing business in South Carolina. IDS proposes to adopt Cleartel Communications as a "doing business as" (d/b/a) or trade name with regard to offering telecommunications services in South Carolina.

A review of the docket file reveals that IDS's authority to provide local exchange and interexchange telecommunications services in South Carolina was granted by Commission Order No. 2005-246, dated May 23, 2005, and Amended Order No. 2005-246(A), issued May 27, 2005.

Upon receipt of IDS's request, the Commission's Docketing Department instructed the IDS to publish, one time, a Notice of Filing in newspapers of general circulation in the areas of the state affected by the request. The purpose of the Notice of Filing was to inform interested parties of the request of IDS and of the manner and time in which to file the appropriate pleadings for participation in the proceeding. The Company complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. No Protests or Petitions to Intervene were received.

By letter from the Company's counsel, dated April 27, 2006, IDS advises the Commission of the Company's desire to do business in South Carolina using the d/b/a name of Cleartel Communications. According to the Company, IDS is a wholly-owned subsidiary of Cleartel Communications, Inc. (CCI), and the Company's desire to adopt the stated d/b/a is pursuant to a license agreement between the Company and CCI. IDS adds that following issuance of a Commission order in this matter, the Company will submit revised tariff pages reflecting the d/b/a of Cleartel Communications.

At its regularly scheduled meeting on August 30, 2006, the Commission reviewed the case before it, and after due consideration, the Commission concluded that the request of IDS for approval of an addition of a trade name to the Company's name should be granted.

The Commission's records will hereby be amended to reflect IDS's adoption of the trade name of Cleartel Communications.

IT IS THEREFORE ORDERED THAT:

1. IDS Telcom Corp.'s request for approval of the addition of "doing business as" (d/b/a) or trade name to the Company's name is approved, and IDS Telcom Corp. is hereby authorized to utilize "Cleartel Communications" as a trade name for its telecommunications services in South Carolina.

2. This Order shall remain in full force and effect until further Order of the Commission.

G. O'Neal Hamilton, Chairman
